

ICSTS-2026

ABSTRACT SUBMISSION GUIDELINES

Authors are invited to submit **original and unpublished abstracts** related to any of the conference sub-themes. The Scientific Committee will evaluate all submissions based on originality, relevance, scientific merit, and clarity.

General Instructions

- Only **abstracts** are to be submitted. **Full paper submission is not required** for this conference.
- Abstracts must contain **original research, review, case study, or innovative applications** that have not been published or presented elsewhere.
- The abstract should be written in **English** using **British English** throughout.
- The maximum length of the abstract should be **300–500 words**, excluding the title, author information, and keywords.
- Include **3–5 keywords** immediately below the abstract.
- Use **Times New Roman, 12 pt font, single line spacing**, and **justified alignment** with **A4 page size** and **2.5 cm margins** on all sides.
- The title should be **bold, 14 pt, centre aligned**, followed by the names of the author(s), affiliation(s), and the corresponding author's e-mail address.
- All submissions should be prepared in **Microsoft Word (.doc/.docx)** format.
- The corresponding author should ensure that all co-authors have approved the submitted abstract.
- The Scientific Committee reserves the right to accept or reject any submission based on the review process.

After successful submission of the abstract, the corresponding author will receive an email containing the Paper-ID. Upon receiving the Paper-ID, the author may proceed with the registration by paying the applicable registration fee through the prescribed registration portal.

Important Note

- All accepted abstracts must be presented by a **registered author** during the conference.
- The registration fee is **non-refundable**.
